Product Specification Sheet

Targus 15.4” Corporate Traveler Backpack

Part #: CUCT02B

Product Description:

The Targus Corporate Traveler Backpack is designed to fit laptops with up to 15.4” screens. This case includes the patented SafePort® Air Cushion System which features adjustable cushions inside of the case to protect your laptop from drop damage while providing a snug fit for smaller sized laptops. To keep you organized on the road, this case features a zip-down workstation with business card holder, three pen loops, key clip, multiple accessory compartments, five scratch resistant CD/DVD sleeves and an expandable file section to keep your documents organized during travel. For added comfort, the case includes padded ergonomic shoulder straps with air mesh covering to provide a comfortable and cool fit. Constructed of durable ballistic nylon, this backpack is built to withstand the wear and tear of everyday business travel.
